12

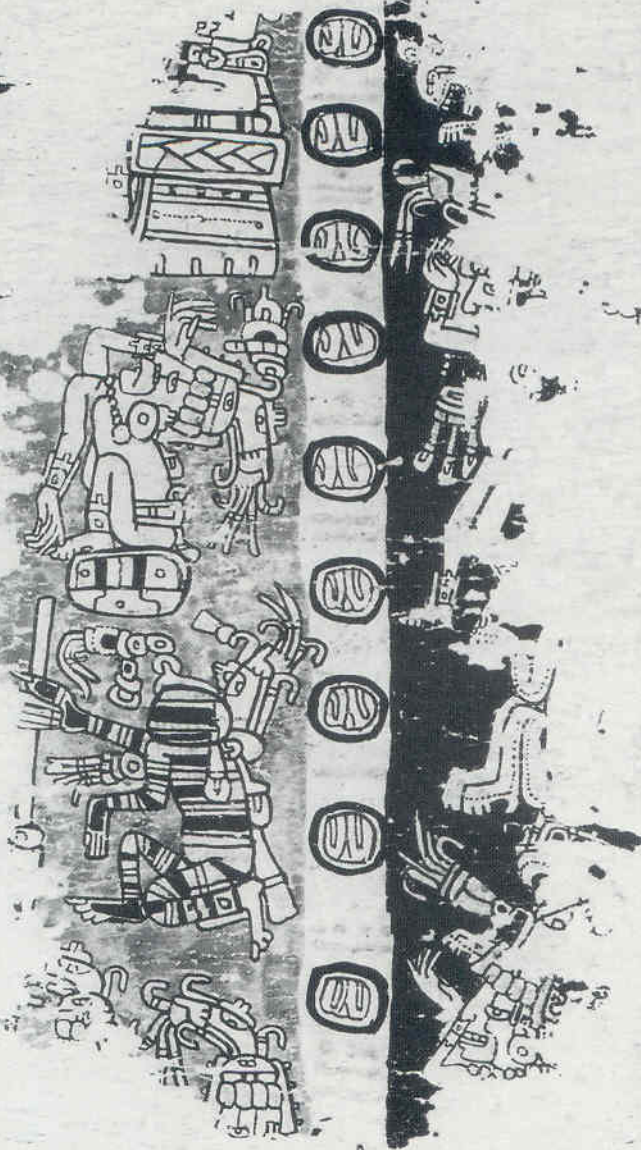

Handwritten text, possibly bleed-through from the reverse side of the page. The characters are dark and somewhat illegible due to fading and the texture of the paper. Some characters appear to be in a non-Latin script, possibly Chinese or Japanese.

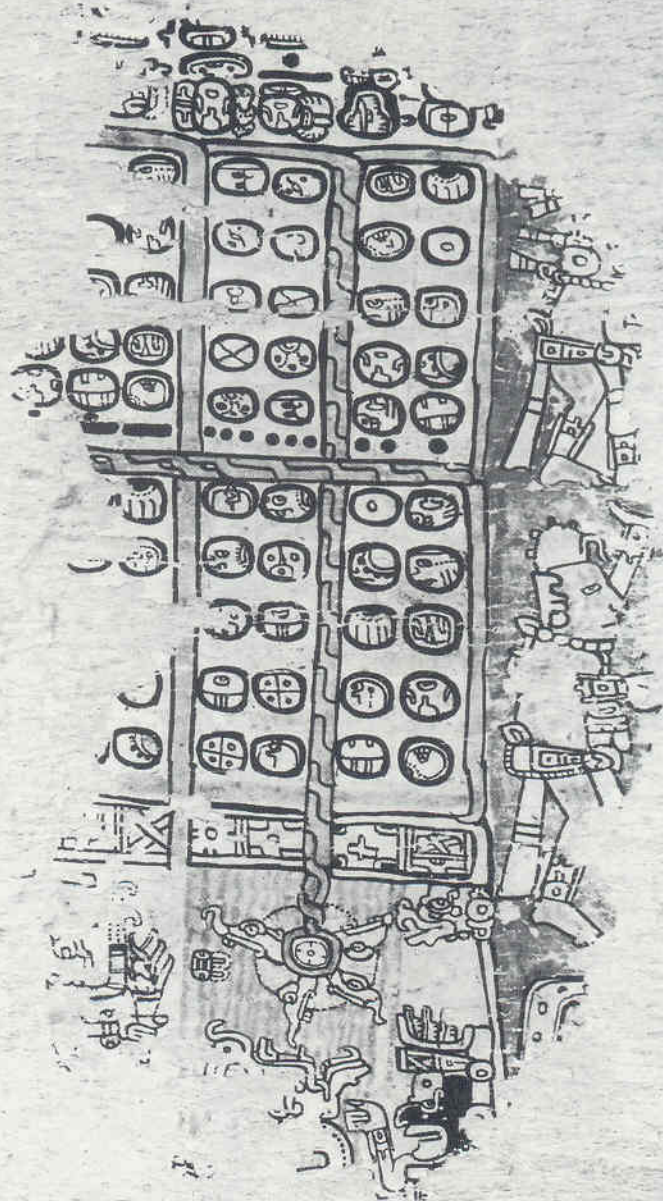

13-15

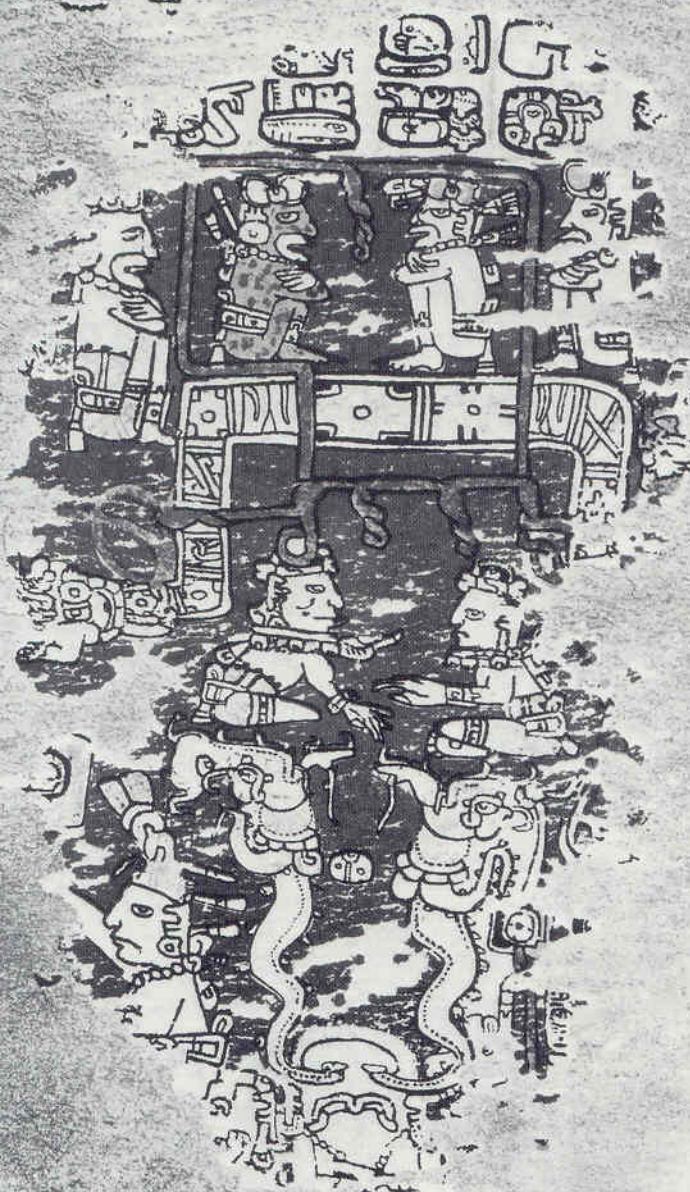

Handwritten text in a cursive script, possibly a form of Arabic or Persian, arranged in several lines. The text is written on aged, textured paper. The script is dense and includes various characters, including what appears to be a large initial letter 'B' or 'P' in the middle section. The text is oriented vertically on the page.
